FULL DUES under the **previous** Temple dues structure were calculated as such:

- Single member: \$350
- Couple membership: \$500
- Family membership: \$600

In addition, there had been: **Building Fund of \$400, Annual Maintenance Fund of \$100 & Annual Security Fee of \$75** *This is listed merely as a point of reference to previous years.

PLEASE SELECT WHAT YOU CAN PAY THIS YEAR 2021-2022 for dues. YOU DECIDE!

\$ _____

How many monthly payments would you like this amount to be divided into _____

Under our Temple dues plan, you choose your own dues amount based on your own finances. If you can afford “full dues & fees” (see above) we would be grateful. If your personal finances are as such that you can afford a LESSER amount – that is fine too. **YOU DETERMINE** your dues & fees, and merely let us know the amount so we can bill you accordingly. Everyone can now afford to belong to our Temple.

Thank you for your support and Membership! Please mail or email.
